

PSHE/ RSE/ SMSC at Horton Lodge

PSHE Personal, Social, Health and Economic development is incorporated in everything we do at Horton Lodge and the curriculum enables us to promote the Social, Emotional and Mental Health of our pupils.

To find out more information on what this looks like at Horton Lodge please refer to our website under 'School Curriculum', then 'Personal Development including PSHE' tabs.

As PSHE lead at Horton Lodge, alongside your child's class team, I am a point of contact for any questions, ideas or advice relating to the personal development of your children.

Joanne Kell

Class Teacher and PSHE Lead
